

REPORT ISSUED BY THE BOARD OF DIRECTORS OF NEINOR HOMES, S.A. IN RELATION TO THE PROPOSAL TO REDUCE ITS SHARE CAPITAL WITH THE AIM OF REPAYING SHAREHOLDER CONTRIBUTIONS BY REDUCING THE NOMINAL VALUE OF THE SHARES, SUBMITTED TO THE GENERAL MEETING CALLED FOR 7 AND 8 APRIL 2026 ON FIRST AND SECOND CALL, RESPECTIVELY, UNDER ITEM SEVEN OF THE AGENDA

1. PURPOSE OF THE REPORT

This report is issued by the board of directors of Neinor Homes, S.A. (the "**Company**"), in accordance with articles 286 and 318 of the consolidated text of the Spanish Companies Law as approved by Royal Legislative Decree 1/2010 of 2 July ("**Spanish Companies Law**"), to justify the proposal submitted to the ordinary general shareholders meeting for approval under item Seven of its agenda related to the share capital reduction with the aim of repaying shareholder contributions, by reducing, the nominal value of the Company's shares in accordance with the provisions of article 317 of the Spanish Companies Law, and the subsequent amendment of article 5 of the Articles of Association of the Company (the "**Capital Reduction**").

Pursuant to the aforementioned articles, the board of directors must issue a report providing the rationale of the proposal submitted to the general meeting, as the Capital Reduction entails the amendment of the article of the articles of association that determines the share capital.

2. RATIONALE FOR THE PROPOSAL

The decision taken by the board of directors to propose the Capital Reduction to the general meeting is intended to remunerate the Company's shareholders through the reduction of the nominal value of the Company's shares and subsequent repayment of the contributions made. Thus, the board of directors proposes to reduce the share capital in an amount of 39,999,844.7786 euros euros, which, taking into account the current treasury stock of the Company, would result in a distribution to the shareholders of an approximate gross amount of 39.9 million euros.

The Capital Reduction, together with the extraordinary dividend and the return of contributions submitted to the general meeting under items Six and Eight of its agenda, forms part of the resolutions relating to shareholder remuneration proposed to the aforementioned general meeting.

It is hereby stated that there will be no differential treatment among shareholders of the Company, since the Capital Reduction equally affects each and every one of the shares in the Company that are currently in circulation.

3. MAIN TERMS AND CONDITIONS OF THE CAPITAL REDUCTION

Article 317.1 of the Spanish Companies Law, when regulating capital reduction modalities, establishes that the purpose of the reduction may be to refund the value of contributions, and under its section 2 it specifies that the capital reduction may be carried out through reduction of the nominal value of the shares.

This document is a translation of an original text in Spanish. In case of any discrepancy between both texts, the Spanish version will prevail.

The execution of the Capital Reduction must be carried out within one year of its approval.

In accordance with the provisions of article 318.1 of the Spanish Companies Law, the capital reduction must be approved by the general meeting in compliance of the requirements established for the amendment of the articles of association, which, for public limited companies, as established in article 286, include the drafting by the directors of (i) the full text of the proposal; and (ii) a written report justifying it.

In addition to these general requirements, article 318.2 of the Spanish Companies Law details the minimum content of the general meeting's resolution, and establishes it must determine, at least, the amount of the share capital reduction, the purpose of the reduction, the procedure through which the Company has decided to execute it, the term for execution and the amount to be paid, where applicable, to shareholders.

In this regard, the capital reduction submitted by the board of directors to the ordinary general shareholders meeting includes the minimum content required by the aforementioned articles of the Spanish Companies Law. In this regard, it is stated that: (i) the amount of the proposed Capital Reduction is 39,999,844.7786 euros, (ii) the purpose of the Capital reduction is to refund shareholder contributions; (iii) the proposed procedure consists in the reduction of the nominal value of the shares outstanding in 0.4046 euros per share; and (iv) the amount that, where applicable, must be paid to shareholders is equal to the amount in which the nominal value of the shares in the Company would be reduced as a consequence of the Capital Reduction, i.e., 0.4046 euros, without prejudice to any treasury shares held by the Company at such time and to the tax withholding referred to below. The proposed resolution also includes the term for execution of the Capital Reduction.

The Capital Reduction shall be recorded against share capital without the constitution of a reserve in the terms described in article 335.c) of the Spanish Companies Law. Consequently, in accordance with the article 334 of the Spanish Companies Law, the Company's creditors whose claims arose prior to the date of the last announcement of the resolution of the Capital Reduction, have not matured at that time and until such claims are secured, will have the right to oppose the Capital Reduction.

Likewise, it is proposed to delegate to the board of directors of the Company the power to agree not to execute the Capital Reduction, in the event that, in its opinion, there are reasons of corporate interest that so justify it.

Finally, it is proposed that the Company files a self-assessment and pay to the Tax Authority of Bizkaia, on behalf of the shareholders, an amount equivalent to 1% of the value per share of the contributions to be returned to the shareholders in respect of the capital reduction, due to the fact that the Capital Reduction is subject to Transfer Tax and Stamp Duty ("ITPyAJD"), in its Corporate Transactions modality, in accordance with the provisions of Chapter I of Title II of the Provincial Law 1/2011, of March 24, of the ITPyAJD (*Norma Foral 1/2011, de 24 de marzo, del Impuesto sobre Transmisiones Patrimoniales y Actos Jurídicos Documentados*).
