

COVID19 SITUATION UPDATE

> 1st APRIL 2020

COVID19: SITUATION STATUS AND MEASURES

Neinor Homes has taken the necessary measures to protect all of its employees, clients, suppliers and shareholders, all while maintaining a strict focus to achieve its business objectives.

- **Teleworking** for all the staff
- Increase in **health and safety protocols** on construction sites
- Two-month **payment postponement** for our clients
- **Contact with** national and regional **administrations**
- **100% remote General Shareholders Meeting**

COVID19: SITUATION STATUS AND MEASURES

FINANCIAL STRENGTH

- **C. €100m in available cash** at the beginning of March
- **€50m of corporate debt refinanced in Q4 2019 (Maturity Dec 2022)**
- **Low Structure Costs** – Externalization model
- **Recurring revenues** from the **Servicing** contract

CONSTRUCTION

- **100% of the works active until March 28th**
- **Construction sites stopped since March 30** (initially until April 9)

PRE-SALES

- **Initial lead decrease and reservation slowdown**
- Launch of the “**Stay at home**” campaign ([Spanish](#)/[English](#))
- **100% virtual visits**

CONTINGENCY PLAN

- **Dividend postponement:** amount and timing will be decided by Board of Directors once there is a clear visibility on the impact of the crisis
- **Acquisitions:** cash preservation and increase in opportunities
